RIVER HARMON

River was born in Myrtle Beach, SC on September 11, 1996. Growing up, River enjoyed listening to 94.9 The Surf. At the age of 10, a family friend introduced him to the Shag and that is when his love for the Music and the Dance began. His first teacher was Keeper of the Dance, Autumn Jones. He went on to compete in the National Shag Dance Championships, Grand Nationals, U.S. Open and multiple Competitive Shag Association contests and Keepers of the Dance contests. He was a member of the National Shag Dance Championship Team, Junior Shag Dance Team and Triangle Junior Shag Dance Team. River has been a part of Shagging with the Stars for over ten years and has won with multiple partners. Every year he looks forward to going to Junior SOS and teaching workshops to the younger kids. River also teaches the basic to beginners every Tuesday night at Fat Harold's Beach Club. He is thankful to the Beach Shaggers National Hall of Fame and the Keepers of the Dance for this honor and will continue to love and Keep This Dance Alive.
